

SCHOOLS WORLDWIDE

Assisting schools and colleges in taking young people to countries where the personal rewards of experiencing new challenges and different environments & cultures become unforgettable, life-changing moments; 'Education by Experience'.

OSWESTRY SCHOOL: MOROCCO EXPEDITION

"MOROCCO: THE HIGH ATLAS CIRCUIT"

Tour Information Pack No.2

This is the second of three Tour Information Packs (T.I.Ps) you will be receiving from Schools Worldwide. The first TIP, gave you an introduction to your destination, to get you started on your own research of the country. This Information Pack gives you guidance on practicalities for you to begin preparing for the tour as well as advice on staying healthy while abroad and a Fitness Exercise. Take the time to read this document as the information enclosed is very important to the success of your trip. Final recommendations and details for your trip will be contained in your final T.I.P.
